

## Welcome to the ARRIGE community!

You may join us according to different options:

- 1) As **FOLLOWERS / SUPPORTERS** (for **free**): you will be added to our generic mailing list (arrige@cnb.csic.es), but you will not acquire the condition of an ARRIGE member. You might also wish to join our SLACK discussion channel.
- 2) As **MEMBERS**: you will be subscribed to the mailing list (arrige\_members@cnb.csic.es), access the intranet, access the Slack forum, get a special rate for our meetings, attend and vote at the General Assembly.

These fees are as follows ....

- Student membership: **20€ /yr** - We will ask you for a copy of your yearly student card (or a letter from one of your supervisors) to register.
- Individual membership: **50€ /yr** for 1 individual person.
- Institutional (public or private institutions) membership: **300€ /yr** for 1 individual person who represents the institution and will have benefits according to the registration (if other people of the institution want to become members, they will have to pay an individual contribution).
- Benefactor members: the amount of the membership fee depends but generally is **> 300€ /yr**.
- As **HONORARY** members, for free, but only following the agreement of the ARRIGE board.

## How to pay?

### **IMPORTANT:**

- Membership is due for the calendar year (January to December).
- Upon failing to pay the previous annual fee, ARRIGE Members will lose their membership status on January 1st, and will automatically be transferred to the ARRIGE Followers mailing list.
- For practical reasons, it is preferable that the membership fee reach us before the summer (June of the current year).
- We encourage you to use the PayPal channel for paying your membership fees. *Be careful*, a bank wire transfer generates for ARRIGE a lot of bank charges (especially with non-Europeans), so please, use it only as a last resort...

## New members procedure:

- Please, pay your annual membership fee through **our ARRIGE PayPal account**.
- If payment fails,
  - simply send your money through [PayPal](#) to [treasurer@arrige.org](mailto:treasurer@arrige.org). You will be able to use your PayPal account or your credit card.
  - If you want to **organize a bank wire transfer** please contact us at [treasurer@arrige.org](mailto:treasurer@arrige.org) and we will provide you with the ARRIGE bank account details.

*For practical reasons*, it is preferable that the membership fees reach us before the summer (June of the current year). So, on the PayPal settings, **avoid activating** the automatic payment (of this first subscription) if you register after June.

## Former members procedure (renewal):

- If you pay your subscription via automatic PayPal renewal, you're done, **BUT, please** check that it is done before June of the current year (for practical reasons it is preferable that the membership fees reach us before the summer). **If this is not the case**, you should delete your automatic payment on your Paypal account and reprogram it accordingly.
- If your subscription is not an automatic PayPal renewal:
  - simply send your money through [PayPal](#) to [treasurer@arrige.org](mailto:treasurer@arrige.org). You will be able to use your PayPal account or your credit card.
  - If you want to **organize a bank wire transfer** please contact us at [treasurer@arrige.org](mailto:treasurer@arrige.org) and we will provide you the ARRIGE bank account details.
